ACA Reporting Solution

About ACAwise

ACAwise is a cloud-based ACA reporting solution that efficiently takes care of all your ACA reporting requirements. We are an IRS-authorized and SOC-2 certified provider with over 7 years of experience in handling ACA reporting for various government entities, TPAs and their clients, and enterprises across many different industries.

ACAwise Service Offerings

1

ACA Core

The Core package includes the preparation and e-filing of ACA Forms based on the data provided (including ACA codes). Learn more

2

ACA Elite

The Elite package includes ACA code generation based on the employee census and payroll data you provide. After reviewing the generated forms in either an excel or PDF template, ACAwise e-files the ACA Forms with the IRS. The elite package also includes additional data validation processes and reporting for special cases such as ICHRA, COBRA coverage, age band, rehires, etc. Learn more

3

ACA State Filing

State filing is available from ACAwise as an add-on service. When clients choose this option, ACAwise e-files the ACA Forms with both the IRS and state as needed. They can choose to file only with the State as well. Learn more

4

Employee Copy Distribution

ACAwise offers two options for meeting the recipient distribution requirements under IRS Section 6056.

▶ **Postal Mailing:** ACAwise handles the printing and mailing of recipient copies from a SOC 2 Certified printing facility. Learn more

▶ **Online Access:** Grant your recipients access to view and download their forms through the ACAwise secure portal. Learn more
